Aimee is the BEST coach! I have a tendency to overthink, which can sometimes lead to long and convoluted answers to her insightful questions. She has a unique talent to listen to my rambling and then help me see EXACTLY what's blocking me.

Every single time we've met over the last 9 months, I've had a breakthrough. Her intuitive insights are spot on, allowing me to feel heard, understood, and accepted through every step of my journey as her client. If you're looking for a coach who truly HEARS you, look no further than Aimee. She will help you reach heights you didn't know you could reach.
